**Basic-Fit Brussels** (Euromillions League) strengthened their roster with addition of 27-year old Canadian-Serbian power forward **Dejan Kravic** (211-109kg-90, college: **Texas Tech**). He played most recently at **Cretan Kings** in Greek A1 league. In 13 games he recorded 9.4ppg, 5.7rpg and 1.0bpg last season.

The previous (15-16) season Kravic played at **New Heroes Basketball Den Bosch** in Dutch Eredivisie where in 34 games he averaged 13.9ppg, 8.7rpg, 1.3apg, 1.1spg and 1.8bpg. He helped them to win the cup and make to league semifinals. Great season indeed as he was voted to Eurobasket.com All-Dutch Eredivisie 2nd Team and to the All-Star Game. Kravic also played 5 games in FIBA Europe Cup where he had very impressive stats: 18.8ppg, 11.2rpg (#4 in the league), 2.0apg and 2.0bpg.

Kravic has played also professionally in Canada (Lions).

He attended Texas Tech University until 2014 and it will be his fourth season in pro basketball.
