[Basic-Fit Brussels](#) (Euromillions League) inked 30-year old American guard [Mike Smith](#) (198-97kg-87, college: [East Tennessee State](#)). He has played for the last two years at [Telenet Giants Antwerp](#) in the Euromillions League. In 41 games he averaged 12.3ppg, 4.0rpg, 2.1apg and 1.1spg last season. Smith helped them to win the Supercup and make to league semifinals. A very good season in his career as he League Player of the Week. Smith also played 12 games in FIBA Europe Cup where he had 9.5ppg, 5.4rpg and 3.0apg.

In 2012 (a year after he left the college) Smith was drafted by Iowa Energy (D-League) in fifth round (73rd overall).

The former East Tennessee State star is in his seventh season in pro basketball.

Among other achievements he received Eurobasket.com All-Belgian League 1st Team award back in 2014.

Smith has played also professionally in Germany (Eisbaeren Bremerhaven), Belgium (Belfius Mons Hainaut and Liege Basket) and NBA G League (Iowa Wolves).
